

PST "UL" Series of Pure Sine Inverters

The NEW PST-UL family of DC-AC Pure Sine Wave Inverters are based on the robust PST series that inverter users have come to depend on for years. Packed with added features and benefits, all of the NEW PSTs are safety certified to UL standards – giving you peace of mind when it comes to safe and reliable AC power. Backed by a no hassle 2 year warranty from one of the world's largest inverter manufacturers, the NEW PST Series offers unparalleled performance at a price consumers can afford.

MODEL	INPUT	OUTPUT	OUTPUT POWER
PST-300-12	12 VDC	120 VAC	300W
PST-600-12	12 VDC	120 VAC	600W
PST-1000-12	12 VDC	120 VAC	1000W
PST-1500-12	12 VDC	120 VAC	1500W
PST-2000-12	12 VDC	120 VAC	2000W
PST-300-24	24 VDC	120 VAC	300W
PST-600-24	24 VDC	120 VAC	600W
PST-1000-24	24 VDC	120 VAC	1000W
PST-1500-24	24 VDC	120 VAC	1500W
PST-2000-24	24 VDC	120 VAC	2000W
RC-15A	For use with PST-600 and PST-1000 Models		
RC-200	For use with PST-1500 and PST-2000 Models		

PRODUCT FEATURES

- **Silent Operation** – temperature controlled fan reduces energy consumption
- **Extremely low interference with other devices**
- **2 GFCI protected outlets**
- **1500 and 2000W models can be hard wired**
- **Low idle power draw**
- **Clean and reliable AC power identical to household electricity**
- **Power sensitive devices like TV's, stereos & home office equipment**
- **Commercial grade design suitable for heavy duty loads, long periods of continuous operation & for emergency back up**
- **Wide operating DC input range: 10.5 to 16.5 VDC**
- **UPC – Universal Protection Circuit: low voltage, over voltage, over temperature, over load and short circuit.**
- **Safety certified to UL standards, FCC approved**

2 YEAR WARRANTY

Accessories

RC-15A Remote Control for use with PST-600 & PST-1000:

- Remote push button on/off
- LED indicators for overload, over temperature and power
- 15' of cable

RC-200 Remote Control for use with PST-1500 & PST-2000:

- LCD indicates AC volts, AC amps, frequency, power (watts) and power factor
- 15' cable
