Inverter/Chargers

EVO™ & EVO™ F SERIES Pure Sine Wave

Complete marine power solution

EVO™

- One device does it ALL – inverter, battery charger, and transfer switch.
- 3x surge capacity to handle high surge loads
- Minimal transfer time means no power disruption
- Programmable battery charger for most battery types (including Lithium)
- Wide operating temperatures – for use in any environment

EVO™ F

- Lower in height for those smaller spaces

EVO-RC-PLUS

EVO-RC

EVO-3012

EVO-1212F

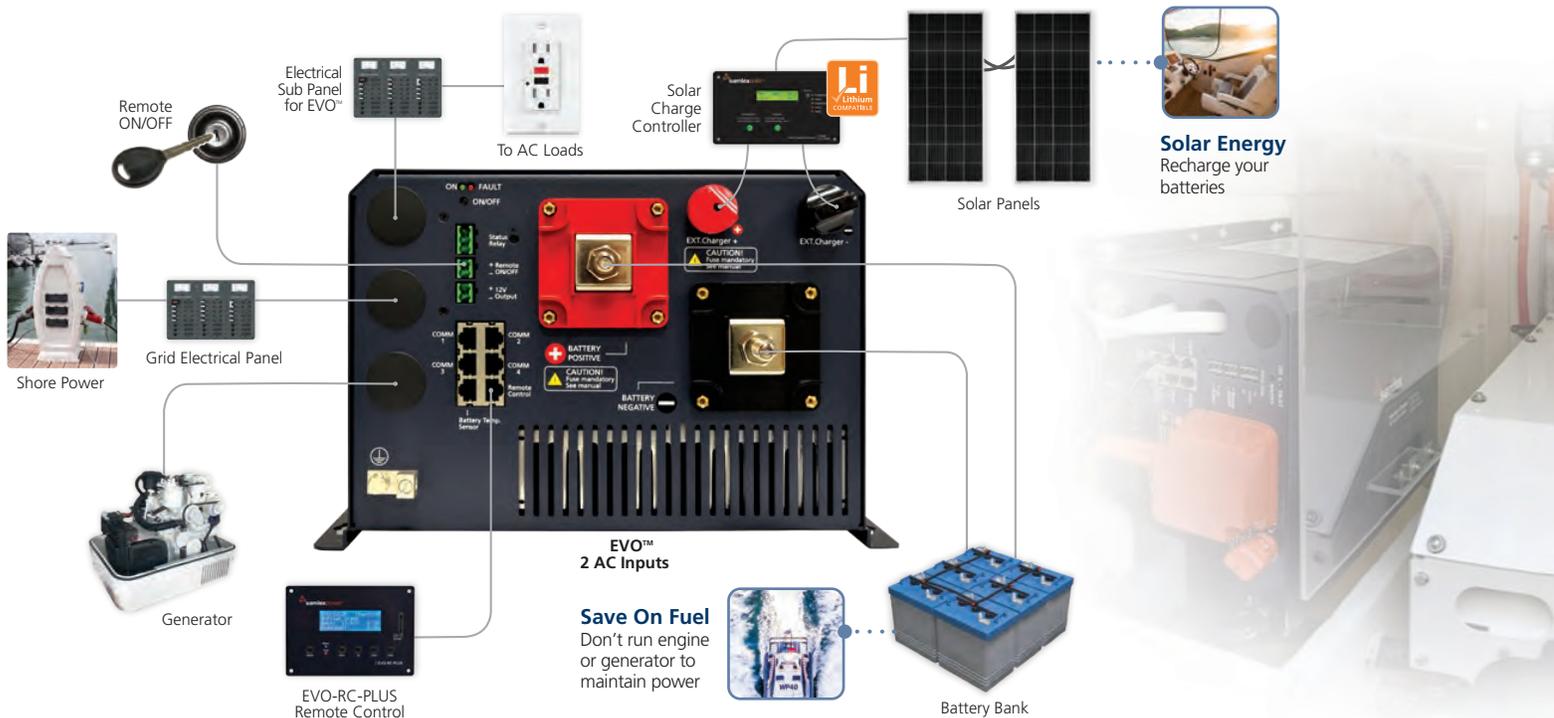

2 AC INPUTS

1 AC INPUT

EVO™: 2200W - 4000W		EVO™ F: 1200W	
12 VDC	24 VDC	12 VDC	24 VDC

3 YEAR LIMITED WARRANTY

Power Inverters

PST SERIES

Pure Sine Wave 

Robust and reliable in any environment

- Built for heavy loads and continuous use
- Suitable for commercial and recreational use
- Commercial grade power for sensitive loads like TVs, appliances and power tools
- Highly efficient power with no noise

RC-15A

RC-300

PST-600-12

PST-3000-12

MODELS: 120W - 3000W

12 VDC

24 VDC

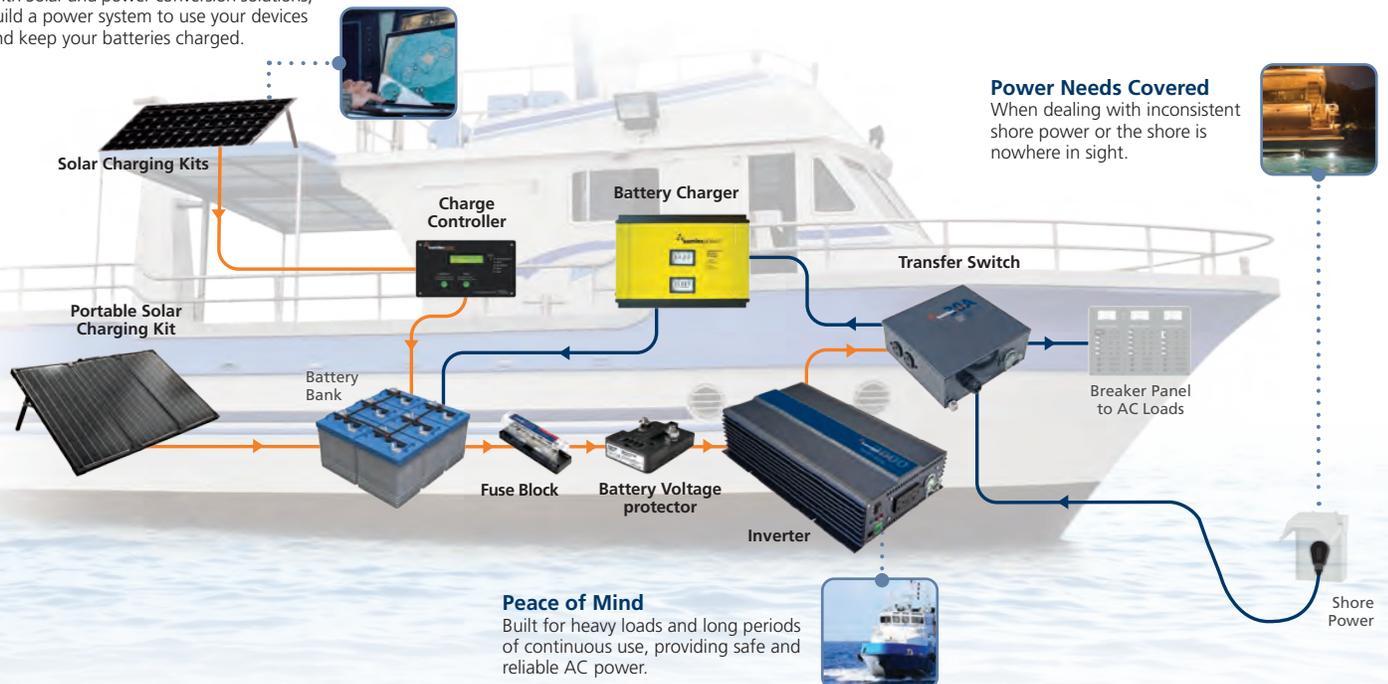

48 VDC

3 YEAR LIMITED WARRANTY

Complete Power System

With Solar and power conversion solutions, build a power system to use your devices and keep your batteries charged.

Power Needs Covered

When dealing with inconsistent shore power or the shore is nowhere in sight.

Peace of Mind

Built for heavy loads and long periods of continuous use, providing safe and reliable AC power.

NTX SERIES

Pure Sine Wave 

Take the comforts of home on the water

- Solid performance, streamlined feature set
- More affordable pure sine option
- HyperSurge™ technology to support surge longer
- Innovative twist lock outlet for 30 amp mating plug for full power utilization

NTX-2000-12

SAM SERIES

Modified Sine Wave 

Dependable power when pure sine isn't needed

- Fits in small spaces
- Load controlled cooling fan
- Soft start technology
- Durable construction

SAM-800-12

MODELS: 1000W - 3000W

12 VDC

2 YEAR LIMITED WARRANTY

MODELS: 100W - 3000W

12 VDC

Battery Chargers

SEC-UL SERIES

Automatic safe 2 or 3-stage charger.

- 3-Bank & 2-Bank

900-RC

SEC-1230UL

MODELS: 15 - 80 Amps

Charge
Controller

MSK-90 / MSK-135

What Our Customers Say About Samlex...

"We were looking for a high-quality modern inverter/charger unit to use as the core of our electrical system. The features of the EVO™ inverter/charger in combination with the reliability and price point means the EVO™ offers us outstanding value as an OEM."

"We deliver electronic solutions that contribute towards safety of life at sea, with quality products produced by the world's leading electronic manufacturers. We have been installing Samlex DC-DC converters for over 5 years in vessels such as Coast Guard Search & Rescue boats... to power VHF radios, video cameras, and monitors."

Samlex is your Complete Manufacturer for Commercial and Industrial Power Conversion Products Since 1991.

Outstanding Customer Service

Providing exceptional customer service is our top priority.

Complete Marine Power Solutions

Samlex is the manufacturer of the widest selection of power conversion products.

Superior Product Quality

With Samlex you'll always have safe, reliable power when you need it.

Manufacturer Innovation

We offer customization or private labeling for your specific project needs.
